

# Program Overview: Co-op

Co-ops can be completed by college students. Each person will work with department team members to learn what a person in that role will do.

They may be completed in the following areas and include the following tasks depending on business needs:

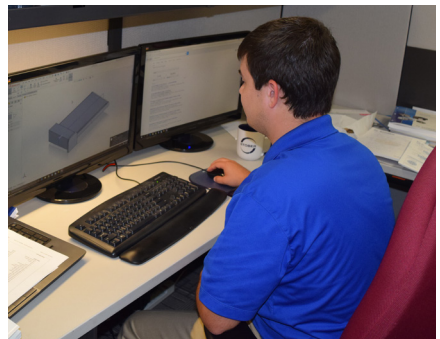

- **Accounting (AP, AR, Filing)**
  - Accounts payable,
  - Accounts receivable,
  - Filing
  
- **Applied/Industrial/Manufacturing Engineering**
  - Drawings and design,
  - Calculations,
  - Hands On
  
- **Information Technology**
  - Troubleshooting
  - Software deployment
  - Program updates
  
- **Marketing**
  - Photography,
  - Promotional materials,
  - Proofreading

**Contact** Kay Moss at 606-759-3617.
